

MERCHANDISE BAGS

High Density bags are light weight yet surprisingly strong. Available with or without die cut handles, these bags are the answer for a variety of retail applications. The bags are embossed to make opening easy.

As required by State law, Plastronic® bags have a suffocation warning preprinted.

- High molecular weight high density material creates a strong and durable bag

- Low cube dispenser carton fits under counter and is UPS shippable

- Wide variety of colors and printing options
